

COGENT JAPAN GK

Company Description

Cogent Communications is a multinational, Tier 1 facilities-based ISP, consistently ranked as one of the top five networks in the world and is publicly traded on the NASDAQ Stock Market under the ticker symbol CCOI.

Cogent specializes in providing businesses with high speed Internet access and Ethernet transport services. Cogent's facilities-based, all-optical IP network backbone provides IP services in over 217 markets globally. Since its inception, Cogent has unleashed the benefits of IP technology, building one of the largest and highest capacity IP networks in the world. This network enables Cogent to offer large bandwidth connections at highly competitive prices. Cogent also offers superior customer support by virtue of its end-to-end control of service delivery and network monitoring.
