

The Hakuba Company K.K.

Company Description

The Hakuba Company was founded in March 2016 and manages luxury condominiums and resort accommodation in the Hakuba area.

Following the success of parent company Sakura Real Estate - a pioneer in the real estate field in the area for over 30 years - we aim to establish itself as the premier provider of luxury accommodation in the region.

Our mission is to consistently offer our guests and property owners a personal and professional level of service that is second to none.
