

Crimson Education Japan K.K.

Company Description

Crimson's Mission

Crimson Education was founded in 2013 with a vision to equalize the university admissions playing field, serving as the launching pad that equips students across the globe to overcome barriers of geography and legacy to compete on the world stage.

Our Leaders

Crimson was co-founded by New Zealanders Jamie Beaton, Fangzhou Jiang and Sharndre Kushor — three young, brilliant minds who wanted to help aspiring university students around the world on the journey to reaching their greatest potential, from high school to university and beyond.

The Crimson Difference

01. Discovering Your Goals

Our initial consult helps us identify your goals and aspirations for university and beyond — and exactly how to get there!

02. Identifying Your Strengths

We'll help evaluate your odds of admission to top unis based on your strengths and areas for improvement.

03. Building a Unique Game Plan

We work with every student to create a personalized roadmap.

04. Assembling Your Team

Each student is matched with a dedicated team of tutors, mentors and strategists.

05. Choosing Your Best-Fit Universities

Our admissions experts help identify the schools that suit your aspirations and capabilities best!

06. Perfecting Your Applications

Your team works with you on every step to ensure you submit your strongest possible applications.
