

MSAB Japan KK

Company Description

MSAB – Trusted Partner in Digital Forensics

MSAB is the global leader in digital forensic technology for mobile device examination and analysis. The company has, since its founding in 1984, set the global standard for the digital forensics industry. The MSAB vision is to empower every investigation with digital forensic solutions – for a safer world. A core value is to run an ethics-driven company with innovation and results. This “how” sets the company apart from competition, but it is the “why” – to contribute to a safer world – that truly makes us unique.

The company is headquartered in Stockholm, Sweden. As a truly global company MSAB also has main offices in the USA, UK, Canada, Europe, Asia, and Australia, as well as a network of distributors around the world.
