
PHOENIX 7 K.K.

Company Description

As an international company, we have built talented groups of iGaming experts from Malta, Ukraine, and Japan. The headquarters of PHOENIX 7 is located on the sunny island of Malta, the premiere European hub of online gaming. Our development studios are in Ukraine and Japan, giving our company an edge on East meets West games development. Our Ukrainian team of talented Engineers, Artists, Animators, and Game Designers have extensive experience in iGaming slots development from concept to launch. While, the Japanese team consists of accomplished Game Designers and Artists, with a background of the Japanese entertainment industries such as PACHINKO and PACHISLOTS
