CLASSYS JAPAN Inc.

Company Description

CLASSYS, a global leader in medical aesthetics, is advancing treatment technologies and is democratizing aesthetic solutions worldwide. Established in 2007 by a dermatologist, CLASSYS is committed to providing science-backed innovations that meet the evolving needs of its customers. In 2024, following its strategic merger with Ilooda, CLASSYS expanded its portfolio to include state-of-the-art HIFU, RF, Microneedling RF, and laser technologies. This powerful combination offers a comprehensive solution for addressing all skin care concerns, making effective treatments available for every skin type.
