Inbound tour operator

## AYABEX INC.

### Company Description

Travel-related business specializing in inbound travel  
Land Operations and Local Development Promotion

AYABEX was born in Ayabe City, Kyoto Prefecture, a rural town where the original landscape of Japan remains, to serve as a bridge between the world and to deliver wonderful encounters and excitement to people around the world. As a travel agency (land operator) with a worldwide network, AYABEX has provided numerous customers with travel to Japan. We take advantage of our position and expertise as a Travel Agency to help our clients to encounter the "real Japan" through various promotional activities with the aim of attracting inbound travelers.
