

PEAK Recruitment Japan K.K.

Company Description

Empowering Business Through Exceptional Talent

We believe that outstanding talent is the foundation of outstanding business performance.

About Us

At **PEAK Recruitment Japan K.K.** Our purpose is to connect high-calibre professionals with organizations that reflect their ambition, culture, and long-term goals, enabling both individuals and companies to achieve new levels of success.

Founded in Tokyo by two partners with extensive experience in Japan's recruitment landscape, PEAK brings together deep local knowledge with a truly global and multicultural perspective. Our team combines industry expertise, professionalism, and a shared commitment to elevating recruitment standards across Japan.

We specialize in permanent recruitment for both Japanese and international companies, delivering long-term hiring solutions through market insight, speed, and integrity. Our consultants focus on key sectors including technology, sales and marketing, logistics, human resources, accounting, and finance. By taking the time to understand each client's business, culture, and strategic priorities, we ensure every placement strengthens capability, connection, and future growth.
