Talentus K.K.

Company Description

RECRUITMENT AGENCY IN TOKYO
Built for talent & hiring teams who refuse to settle.

Talentus is an emerging Japan recruitment agency with decades of experience in mid-level professional recruitment.

Our team of **senior recruitment consultants in Tokyo** is dedicated to connecting high-profile professionals with the latest jobs in Japan. We've been committed to delivering an exceptional experience to every candidate, combining our local market knowledge with each individual's career vision.

Our strong presence across the country allows us to secure strategic talent for both **Japanese startups and multinational organizations.** We are driven to find professionals with the the capacity to make high-impact contributions.

Japan recruitment agency for foreign and local talent
Managing recruitment complexity in Japan is part of our DNA.

Cross-cultural expertise is our daily practice.

Working style. Cultural expectations.
Language barriers. Visa constraints.
Every variable matters.

Our screening framework integrates candidate's background, defining a bespoke search strategy dedicated to local, foreign and bilingual professionals.
