Morishita Jintan Co.,Ltd.

Company Description

Morishita Jintan Co., Ltd. is a Japanese pharmaceutical and healthcare company founded in 1893. Headquartered in Osaka, the company is widely known for its “Jintan” breath freshening pellets and digestive health products.

The company develops, manufactures, and sells pharmaceuticals, health foods, supplements, and functional materials. Utilizing its proprietary seamless capsule technology, Morishita Jintan has expanded its business beyond pharmaceuticals into the healthcare and wellness fields. The company is also committed to research and development aimed at improving people’s health and quality of life.
