

Meitetsu mc

Company Description

Our company is a wholly owned subsidiary of Meitetsu (Nagoya Railroad Co., Ltd.). Established on October 3, 2022, we began with the management and operation of bilingual preschools and are committed to addressing social challenges so that everyone involved can achieve a fulfilling life in which they are able to pursue their aspirations and take on new challenges.

The Meitetsu Group has actively developed small-scale childcare services for preschool-aged children as well as after-school care programs for elementary school students and older. However, as society continues to diversify in terms of values and lifestyles, we believe there is an increasing need to provide a wider range of educational opportunities and related services.

By delivering high-quality educational programs to children who will shape the future of their communities, we strive to contribute to regional development through human resource cultivation and to enhance the attractiveness and vitality of the communities we serve. We are fully committed to achieving these goals.
