

MORITO SHANGHAI CO., LTD.

Company Description

MORITO SHANGHAI CO., LTD. is the Shanghai-based subsidiary of Morito Co., Ltd., a Japanese company with more than 100 years of history. Established in Shanghai in 2004, the company supplies garment accessories such as eyelets, buttons, and zippers, while also developing and selling interior materials and components for the automotive, railway, and aerospace industries. Leveraging Morito's global network and manufacturing base in Shenzhen, the company provides high-quality products and technical support to customers in China and worldwide.
