

MAGnet Ltd

Company Description

MAGnet Ltd. is a specialized medical device company and distributor established in March 2008. Guided by its powerful mission, "To invigorate Japan through good sleep," the company contributes to people's wellness and happiness by providing high-quality products and services that support medical care, particularly in the fields of respiratory care and sleep health.

The company's headquarters is strategically located in Hongo, Bunkyo-ku, Tokyo, an area known as a prominent hub for medical institutions and healthcare businesses. To promptly respond to nationwide healthcare demands, MAGnet has established regional sales offices in Nagoya, Osaka, and Fukuoka. Furthermore, it operates a dedicated Logistics Center in Katsushima, Shinagawa-ku (holding a First-Class Medical Device Marketing Authorization and Medical Device Manufacturing License) and a Repair Center in Tatsumi, Koto-ku. This robust structure ensures a highly reliable supply chain and comprehensive after-sales maintenance services directly managed by the company.

MAGnet's core business revolves around solutions for sleep-disordered breathing, including Sleep Apnea Syndrome (SAS). Its extensive product lineup features advanced CPAP (Continuous Positive Airway Pressure) devices such as "S.Box," "iX Auto," "XT-Auto," and "Transcend 3." It also offers a wide variety of patient masks designed for comfort and compliance, including the "WiZARD 510/320," "Breeze Zen nasal mask," "Breeze mask series," and "SleepWeaver series," as well as pulse oximeters. By importing and distributing these cutting-edge international medical devices, the company significantly improves patients' quality of life.

Beyond equipment sales and rentals, MAGnet's multifaceted business model includes the import and sale of health and research equipment, medical marketing consulting, and the planning and management of educational seminars and webinars for healthcare professionals. The company is also actively engaged in the research and development of its own medical and health products to better meet market needs.

Currently, with a compact team of 28 dedicated employees, MAGnet fosters a professional yet warm and supportive work environment. Employees enjoy a high degree of autonomy and the opportunity to make a meaningful social impact. For job seekers, MAGnet offers an inspiring workplace where one can grow as a specialist while directly contributing to the health and well-being of society through the vital domain of sleep medicine.
