

KLN Freight (Japan) Limited

Company Description

KLN Logistics Group Limited (KLN) is an Asia-based global logistics company with a presence across 58 countries and territories. The Group provides a comprehensive range of logistics and supply chain solutions, including integrated logistics, international freight forwarding, supply chain management, e-commerce, and industrial project logistics. Its services cover air, ocean, road, rail, and multimodal transportation, supporting customers throughout their supply chains from sourcing and manufacturing to sales and distribution. With more than 18,000 employees and an extensive global infrastructure network, KLN serves customers across a wide range of industries, including leading global brands and Fortune Global 500 companies. The Group generated revenue of over HK\$56 billion in 2025 and is listed on the Hong Kong Stock Exchange.

In Japan, KLN operates as **KLN Freight (Japan) Limited**, with its Tokyo office located in Tennoz, Shinagawa-ku, Tokyo.
