

Freightplus Japan K.K

Company Description

Freightplus Japan Co., Ltd. is the Japanese subsidiary of the Australia-based Freightplus Group, providing international logistics and freight forwarding services. The company specializes in the transportation of large and heavy cargo, including construction machinery, and handles logistics arrangements for imports and exports, with a particular focus on ocean freight. In collaboration with its overseas offices and group companies in Australia, North America, and other regions, Freightplus Japan supports international cargo transportation worldwide.
