

GDI Communications Inc.

Company Description

Global People
Global Company
Global Staffing Solutions

Our diverse team of international professionals, each with their unique skill sets, languages, and experiences, enables us to excel in global staffing. We are dedicated to connecting clients with the best talent for both dispatch and direct hire positions in Japan and beyond.

Strength

In today's Globalized World, specialized skills and Global Experience are required to be successful in any business.

GDI has focused on developing Global People for nearly 20 years, mainly utilizing multilingual professionals' Global Experience and skills.

With the diverse nature of our staff and the company's Global Environment, GDI excels at providing our clients with the Global Services they need and opportunities for Global Talent to shine.

Everyone at GDI, throughout the company, is a GPOD, and we are proud to provide Global People, of the highest quality, on Demand.
