Rugby School Japan Educational Corporation

Company Description

Rugby School Japan (RSJ) opened its doors in September 2023 in Kashiwanoha Smart City, Chiba, bringing the 450-year legacy of the prestigious Rugby School UK to the Greater Tokyo area. As a co-educational British international school, RSJ offers both day and boarding options for students aged 11 to 18 (Years 7 to 13). We are proud to provide a highly diverse, international learning environment where students from around the world live and learn together. Currently, our vibrant community has grown to over 400 students.

At the heart of our educational philosophy is the ethos of Rugby School UK: "The Whole Person, The Whole Point." This means we are fundamentally committed to holistic education. While we strive for absolute academic excellence, we equally value the development of character, resilience, empathy, and leadership through extensive co-curricular programs spanning sports, arts, music, and community service. We believe that true education shapes the entire human being, preparing them not just for examinations, but for life.

Academically, our students follow a rigorous British curriculum leading to IGCSE and A-Level qualifications, which serve as passports to the world's most competitive universities in the UK, the US, Japan, and beyond.

A defining feature of the RSJ experience is our traditional House System. Every student—whether a boarder or a day pupil—belongs to a House, operating under the exceptional pastoral care of dedicated Housemasters and Housemistresses. This creates a deeply supportive, family-like community where lifelong friendships are forged across different age groups.

Working at Rugby School Japan means joining an ambitious, internationally-minded team of professionals. We look for passionate individuals who resonate with our holistic ethos and wish to contribute to nurturing the next generation of global citizens. Situated in a state-of-the-art campus equipped with world-class facilities, RSJ offers a dynamic and profoundly rewarding workplace.
