Intralink KK

Company Description

About Intralink

Intralink is an international business development and innovation consultancy, deeply-routed in global innovation ecosystems, with a deep specialism in East Asia. We enable:

· Western companies to expand in Asia

· Asian corporates to collaborate with global innovators

· Government organisations to grow their regions' exports and attract foreign investment

With 90 full-time employees, a 30-year track record and offices in China, Japan, South Korea, Taiwan, the United States, the UK, France and Poland, we make international businesss development fast, easy and cost effective.

We’re proud winners of The Queen’s Award for Enterprise and the President's E Award for Export Service.
