

## Global Trust Networks Co.,Ltd.

### Company Description

#### Company Profile

【Mission】 To enrich the lives of all who live together, transcending national borders.

【Who We Are】 GTN is a global startup building a "trust-creating platform" that comprehensively supports foreigners from the "foundation of their lives" to the "richness of their lives." We not only provide essential lifelines such as housing, communication, finance, and employment, but also design the rich experiences that lie beyond, realizing a future where everyone, regardless of nationality, can live safely and vibrantly in Japan.

【Our Business】 We develop comprehensive solutions specifically for foreigners.

Housing Environment Solutions (Rental Guarantee, Room Search)  
 Communication & Life Infrastructure (Mobile Communication, Credit Cards)  
 Career & Employment Support (Recruitment, Specified Skills Registration Support)  
 Life & Settlement Support (Arrival Setup, Multilingual Life Consultation)

We simultaneously received the highest rank, "Platinum" and "Good Practice," in the Cultural Diversity Index, an indicator that evaluates the degree of inclusion of cultural diversity within an organization. <https://www.gtn.co.jp/news/20251127>

For more details on GTN's mission, vision, and values, please see here.
