Job Description

Requirements: Hiring freelance recruiter / remote work

We are looking for someone with experience in human resources. If possible, experience in legal / IT/finance/healthcare or

industry is even better. If possible, it would be even better if I had experience working in human resources, management, or organizational development at a Japanese company. We are looking for someone with 1 to 3 years of experience and excellent interpersonal skills and organizational strength. Skilled in coaching, consulting, dispute management, and building partnerships at all organizational levels. Have strong facilitation and decision-making skills, including negotiation and influence. Those with high communication skills can challenge the current situation, solve difficult problems, and be familiar with the internal situation. Be an innovative problem solver with project management and organizational strength. Knowledge of Japanese law in general and Labor Standards Law is required.

Required Skills

A solid foundation of personnel knowledge (employment law and practices) and a keen ability as a business partner.

Strong research, analysis, and project management skills.

You believe that you should hear all the voices and you want to hear them very much. Being an empathic listener is the basis of strategic recruitment and an emotional point of contact for candidates and colleagues.

Hiring freelance recruiter / remote work

We provide good rewards and profits

We have the simple philosophy that if you take care of your employees, they take care of your customers and your bottom line takes care of itself.

Company Description

Those who wish to change jobs

Benefits of our registration

A recruitment agency (job change agent) is a private employment agency approved by the Minister of Health, Labor, and Welfare.

The job change support service is a service in which a career consultant acts as an intermediary between those who wish to change jobs directly for full-time employees or contract employees and companies that are considering hiring.

Today, it is used by many people as one of the options for changing jobs.
