Severance pay system: Defined contribution pension (~ 60 years old), Contribution reserve (60 years old ~)

72 years old

- In-house study session
- In-house training (invited lecturer)
- OJT
- Attendance of external training

- Comprehensive welfare group term life insurance
- Health checkup assistance: As a general rule, various checkups designated by the health insurance company will be fully borne by the company, and the human dock will be subsidized up to 10,000 yen.
- Employee Stock Purchase System: Incentive 8%

Required Skills

Experience: CMC (formulations, especially injectables) related development, manufacturing, analysis work, CMC for domestic and international applications

Document writing experience

Knowledge: Knowledge of Pharmaceutical Machinery Law, related laws and regulations, GxP (GMP / GQP / GDP), JP, USP, EP, ICH, etc.

Ability: Ability to negotiate with contractors and partners, ability to manage schedules for collaborative work

Basic communication skills with foreign companies in English are required

Company Description

Remembering our Gratitude

For foreigners who chose to come to Japan

We express our gratitude towards international students who chose Japan as their destination of studying abroad by founding this company, with the primary purpose of providing international students and foreigners in Japan with the assistance they need to seize their happiness. In doing so, we hope to contribute to the Japanese society as well as the international community. Due to corporate globalization in recent years, some Japanese companies have adopted English as their official language. However, recruiting in Japan is still possesses unique customs thus presents a challenge to foreigners who are not familiar with it. At j Career, we are dedicated to help foreigners in overcoming such difficulties and support their endeavor in attaining a happy life in Japan.

We set up a job searching website called goojob.jp with the intention to help international students utilize their knowledge and expertise they learned and apply that in their job hunting. We also help people who are working with making a career switch.
