Job Description

Senior Finance Manager

Our client is a growing international global storage and real estate firm with an innovative portfolio services and solutions

Job Description

- Analyse current and past financial data and performance, conducting variance analysis to compare budgeted figures against actuals, identifying reasons for variances and proposing corrective actions.
- Work with finance and non-finance teams (e.g. operations, marketing, etc.) to obtain necessary financial and non-financial data for analytics and decision-making process.
- Prepare monthly reports and quarterly board meeting materials for senior management, highlighting key financial performance indicators.
- Provide analytical support for strategic projects, including market analysis, business opportunities, and cost reduction initiatives.
- Lead or support projects that improves FP&A capabilities, including integration of data across the group and workflow automation.

Required Skills

- Business level proficiency with both Japanese and English required.
- Advanced proficiency in Microsoft Excel and financial modelling.
- Familiarity with Microsoft PowerPoint with good presentation skills to present concise and clear reporting to stakeholders.
- Strong problem-solving skills and the ability to think critically and strategically, with the ability to adapt to business needs and priorities.
- Excellent interpersonal and communication skills, with the ability to work effectively across teams and with external partners. Ability to influence and engage with finance and non-finance stakeholders within and out of Japan.

Company Description

Propel Consulting is an Executive Search Company based in Tokyo. We specialise in providing international businesses with bilingual executives and mid-level professionals.

Our team of experienced consultants collaborate to identify and service the unique needs of candidates and clients across a wide range of industries. We achieve excellence by developing creative solutions that utilise our broad-reaching networks, technology based tools and relevant expertise.

Our innovative approach ensures that we can introduce the best candidates to our clients and the best opportunities to our candidates.

We have helped numerous professionals to join some of the leading international companies in Japan. Our experience enables us to provide candidates with the best opportunities available in their industry.

We will also provide help and support throughout the entire process including: interview advice, resume tips, compensation negotiation and helping you to resign from your present position.
