Job Description

Job Overview:

Job Overview

As a Web Marketing Specialist, you will be a key player in the rapidly growing global marketing team as we take more of our portfolio into new markets. You will be responsible for developing the international marketing projects.

The role

- Operation of various web advertisements (SNS, affiliate, etc.)
- Creative direction and verification and analysis of ad distribution data
- Manage of display and listing ads and analyze ads serving and distribution data
- Reference point for anglophone countries regarding marketing and advertising strategies
- Various other game marketing-related project tasks, depending on skill set and preferences

About CTW.inc

Founded in 2013, CTW is one of the world's largest browser game companies. Our primary service is the G123 IP game platform — which publishes video games based on famous Japanese IP.

We've been experiencing steady growth in revenue in the past few years as our player base has expanded to over 1 billion users worldwide.

We must grow quickly to keep up with market demand.

Our CEO founded and named this company with the aspiration to "Change the World." Having achieved a NASDAQ listing in August 2025, we continue to pursue new challenges and create opportunities for our team members to grow their careers alongside the company's continued expansion.

Our core values are:

- ambition
- drive
- simplicity

With global hits like Queen's Blade, Strike The Blood Daybreak, BLACK LAGOON Heaven's Shot and many more, we're looking to go from a market leader in Japan to an industry leader globally!

Interview process: *subject to change depending on situation

Document Screening → First interview → Final interview with Team Manager→ Offer

Required Skills

We offer

- Autonomy and ownership: you can be solely responsible for the web marketing of our game distributed on "G123"!
- Purpose-driven work: The chance to contribute to our growth in the the global video game industry, using cutting-edge technologies such as our internal AI ads tool
- Career advancement: We offer rapid promotions for those contributing to the international expansion
- Evolving responsibilities matching your personal skills to build your own path

Requirements

- Japanese: Professional Proficiency (JLPT N1, N2 or equivalent)
- Web marketing experience, especially in the video game industry (1 year or more)
- SEM advertising operation experience
- A strong understanding of ad serving and marketing in U.S. or Korea or Taiwan
- Ability to write compelling and creative content in English and Japanese
- Passionate gamer with knowledge of video game terminology and language (RPGs)
- Knowledge of Japanese otaku culture
- Ability to adapt to a fast-paced, multicultural environment where growth and change are constant
- Flexibility, ability to deal with uncertainty and prioritize tasks

Good to have

- Fluency in other languages
- Marketing promotion experience
- Writing press releases / copywriting (in English) experience
- Japan-related experience

Salary: 5M ~ 8M JPY/year base pay (depending on skills and experience), bonus once a year based on company and individual performance

Benefits

- Visa sponsorship
- Modern office space in the heart of Tokyo, with views of Tokyo Tower and Mount Fuji
- Industry-leading work-life harmony: overtime is rare and discouraged
- Commute expenses covered
- 30,000 yen rent support if you live within 2 stops of the nearest station

- Health insurance
- Diverse & international environment
