#### Job Description

##### 1. Order Fulfillment and Inventory Management:

- Supervise the end-to-end order fulfillment process, from order placement to delivery, ensuring accuracy and timeliness.
- Implement and maintain effective inventory management practices to prevent stockouts and overstock situations.

##### 2. Logistics and Shipping:

- Coordinate with logistics partners to optimize shipping processes and minimize delivery times.
- Monitor shipping costs and negotiate contracts with carriers to ensure cost-effective and efficient transportation.

**3. Website Maintenance and Optimization:**

- Collaborate with the IT and web development teams to ensure the online platform is updated, user-friendly, and responsive.
- Implement strategies to enhance the online shopping experience, including streamlined checkout processes and mobile optimization.

**4. Customer Service:**

- Oversee customer service operations, addressing inquiries, resolving issues, and ensuring customer satisfaction.
- Implement and monitor customer feedback mechanisms to continuously improve the online shopping experience.

**5. Analytics and Reporting:**

- Utilize data analytics tools to track key performance indicators (KPIs) and generate reports on sales, inventory levels, and customer behavior.
- Analyze data to identify trends, opportunities, and areas for improvement.

**6. Cross-functional Collaboration:**

- Collaborate with marketing, sales, and IT teams to execute promotional campaigns, product launches, and other online initiatives.
- Ensure effective communication and alignment between different departments involved in the e-commerce process.
