Job Description

ABOUT CIC & CIC FUKUOKA

CIC builds and operates a global network of innovation campuses where startups, scale-ups, corporations and public entities connect, work, and grow. Founded in 1999, CIC manages more than 111,000 square meters of innovation-focused workspace, laboratories, and event space across North America, Europe and Asia. Additionally, CIC develops innovation-related programming, builds and enables industry clusters, and provides world-class innovation consulting.

CIC Fukuoka will combine workspace and high-impact programming to become a physical center of gravity for the innovation community and help to connect the region to the global innovation ecosystem. The strategic expansion will mark CIC's second innovation campus in Japan and tenth global location. CIC Fukuoka will occupy the 7th floor (approx. 3,500 m²) of the Shin-Fukuoka Building, and will have approximately 140 private offices and a coworking space with approximately 40 seats, as well as conference rooms, a kitchen/cafe space, a game room and other amenities that can be shared by tenants.

YOUR DAY-TO-DAY WORK

You will join a Community Operations Team to satisfy the day-to-day needs of our clients. Some work will be independent while at other times it will require collaboration with other members of the CIC staff.

Potential responsibilities will include:

- Developing and nurturing positive relationships with CIC clients, ensuring their satisfaction through timely and tailored responses to their inquiries and needs.
- Handling a variety of client requests creatively and effectively, from office rearrangement to event hosting.
- Stocking and maintaining supplies in kitchens and conference rooms, while also ensuring the upkeep of regular systems like print stations and conference room setups, offering assistance as needed.
- Facilitating new client onboarding, including system registration and office setup, as well as assisting existing ones with office moves and special event preparations in conference rooms.
- Supporting front desk operations with focus on excellent service and assisting other teams with special projects as needed.
- Organizing community events to encourage networking among clients.
