Japan Early Talent Program

Role Definition

The Caterpillar Financial Japan Early Talent (JET) Program is a leadership development program for graduates with 0-5 years of work experience that provides exposure to different areas of the Caterpillar Financial core business.

Responsibilities

- The objective of this program is to provide broad business experience, so participants can take on future leadership roles with the company.
- Participants receive a high degree of management focus and deliberate assignments during this four-five year program.
- Program participants will have up to three rotational assignments, each between 18- 24 months.
- The rotational assignments can be in customer-facing, origination, credit, and specialty roles.
