Job Description

A renowned data center company is looking for an Associate Treasury Manager. The selected candidate will support financing processes, manage loan facilities, and strengthen banking relationships. This is a hybrid role.

A renowned company in the data centre and technology industry, recognised for its innovative approach to business expansion. With a fast-paced, electrifying work environment, the company values proactive and adaptable individuals who thrive in dynamic settings.

Keywords:

データセンター, 財務管理, 投資家対応, 求人, 外資系

Job Ref: 510HPV

Responsibilities:

- Support project financing, including structuring, documentation, due diligence, and financial closing
- Manage existing loan facilities, ensuring compliance and handling amendments, waivers, and refinancing
- Strengthen relationships with banks and investors, leveraging market knowledge to expand liquidity
- Assist in cash management, risk management, and covenant compliance

Requirements:

- Background in international business setting
- Knowledge of loan practice (lender-side or borrower-side)
- Understanding of structured finance is a plus
- Prior understanding of loan syndication market is ideal
- Familiarity with property finance is preferred
- Fluent level Japanese and English

Company Description

We've been a driving force in the Japanese bilingual recruitment market, providing high quality candidates for our clients and access to the best jobs for over 20 years. We operate a team-based profit share system which, we believe, sets us apart from the majority of competitors by enabling us to always put the interests of our clients and candidates first. That means we can find the best fit for employer and job seeker, and we never push people into unsuitable roles.
