Financial Analysis

Providing various finance analysis and strategic input to senior management as well as other functions' managers.

Financial analysis includes:

- ・ Analyze sales gross margin and SG A by each sales channel and product category as well as various financial KPIs

- Analyze inventory status and excess obsolescence
- Monitor topline and major cost items and product profitability and analyze variance of actual vs. plan to detect risks opportunities to be tackled in short middle term.

■Budgeting Forecasting

Supporting to coordinate annual business planning process and create projected financial statements.

- Lead budgeting P/L and its elements including sales COGS and SG A for Japan by collecting relevant data and closely communicating with the related teams.
- Support budgeting subsidiaries' P/L by reviewing and analyzing the deliverables and by closely communicating with the counterparts of the entities.
- Support budgeting B/S items such as inventory.
- Track progress of annual budget and update financial forecast in year to go monthly.

■Business Updates

Supporting preparation for Monthly Business Review meeting

- Support preparing the meeting materials which includes analysis on sales P/Ls and expenses as well as year to go forecast

■Standard cost setting

Supporting to maintain profitability of our products through checking and communicating with related functions about the deviations and taking corrective measures

- Support cross functional team to launch new product analyzing profitability of new products
- Daily set up and annual review/ update operation in ERP system

■Ad hoc analysis and support

Required Skills

- Working experience in Finance at least 5 years
 - Strong data analysis and presentation skill (MS Excel PPT etc.)
 - Strong leadership and good people management or experience
 - Creative and innovative thinker
 - Able to think logically
 - Ability to build strong cross functional relationships across all divisions of the Company
 - Cooperatively aggressive with a high level of energy
 - Open to changes and can learn quickly
 - Communicates effectively both inside and outside the organization
 - Desire to work in a fast paced and results oriented operating environment
