Job Summary: We are seeking a highly skilled and strategic-minded Sourcing & Procurement Manager to join our team. The ideal candidate will be responsible for developing and implementing sourcing strategies, managing procurement processes, and ensuring the efficient and cost-effective acquisition of goods and services.

Key Responsibilities:

- Strategic Sourcing: Develop and implement efficient sourcing and category management strategies to optimize procurement processes.

- Cost Management: Analyze and calculate costs of procurement and suggest methods to decrease expenditure.
- Vendor Management: Identify, evaluate, and manage relationships with suppliers and vendors to secure advantageous terms.
- Contract Negotiation: Negotiate contracts with suppliers to ensure favorable terms and conditions.
- Compliance: Ensure all procurement activities comply with company policies and international trade regulations.
- Risk Management: Assess, manage, and mitigate risks in procurement processes.
- Market Analysis: Conduct market research to identify new sourcing opportunities and stay updated on industry trends.
- Process Improvement: Continuously evaluate and improve procurement processes to enhance efficiency and reduce costs.
- Team Leadership: Lead and mentor the procurement team to achieve departmental goals.

Qualifications:

- Bachelor's degree in Supply Chain Management, Logistics, Business Administration, or a related field.
- Minimum of 10 years of experience in strategic sourcing and procurement, preferably within the logistics industry, including 3 years of team management experience.
- Strong understanding of procurement processes, excellent negotiation skills, and proficiency in supply chain management.
- Excellent communication skills in English, both written and verbal.
- Strong analytical and problem-solving skills to assess procurement strategies and outcomes.
