## Job Description

This Accountant role is a critical position within the Accounting & Finance department, responsible for ensuring the accuracy and efficiency of financial operations and for contributing to the overall financial strategy of the company. The role is based in Tokyo, in the rapidly evolving Technology & Telecoms industry.

### Client Details

Our client is a large organization that operates within the Technology & Telecoms sector. Their main office is located in the bustling city of Tokyo. The company is renowned for its innovative products and services which are utilized by consumers and businesses worldwide.

### Description

- Prepare and analyze accurate monthly financial and management reports
- Maintain the integrity of financial data and accounting records
- Assist in the development and implementation of financial policies and procedures
- Contribute to the development of the company's overall financial strategy
- Ensure compliance with all statutory requirements and regulations
- Liaise with external auditors and manage internal audit processes

- Provide financial advice and guidance to management and other departments
- Assist in budgeting and financial forecasting activities

**Job Offer**

- Comprehensive benefits package
- Opportunity to work in the dynamic Technology & Telecoms industry
- A supportive and collaborative work environment
- Excellent career progression opportunities

We invite all qualified Accountants who are ready to advance their careers in the exciting Technology & Telecoms industry to apply. This is a great opportunity to be part of a highly respected company, based in Tokyo, that values innovation and excellence.

To apply online please click the 'Apply' button below. For a confidential discussion about this role please contact Gleb Galiyev on +813 6832 8999.

---

**Required Skills**

A successful Accountant should have:

- A degree in accounting, finance, or a related field
- Professional accounting certification (e.g., CPA, ACCA)
- Proficiency in financial software applications
- Excellent analytical and problem-solving skills
- Strong knowledge of accounting principles and practices
- Excellent communication and interpersonal skills
- Ability to work well in a team and independently
