#### Job Description

We're seeking a Senior Manager, Controlling with strong SAP expertise. This role oversees and optimizes financial systems within the controllership team, ensuring efficiency and alignment with business objectives.

#### Client Details

Our client is a large organization in the industrial/manufacturing field. With a focus on innovation and continuous improvement, they have established themselves as a leader in their industry.

#### Description

- Lead SAP FICO system enhancements, integrations, and support
- Translate business needs into functional system improvements
- Ensure accurate U.S. GAAP and statutory reporting using SAP
- Support month-end, quarter-end, and year-end close activities
- Collaborate with internal teams and external providers
- Maintain strong internal controls and support audits

#### Job Offer

- A competitive salary package
- Additional benefits including fixed and performance bonus
- Opportunity to work in a large organization in the industrial/manufacturing sector
- A supportive and collaborative company culture
- Possibility for career advancement within the company

Page Group Japan is acting as an Employment Agency in relation to this vacancy.
