### Job Description

**Accounting, Finance and Cost Accounting****Responsibilities:**

1. Oversee, manage, and refine the company's cost accounting system (e.g., standard costing, job costing, activity-based costing). Ensure accuracy and effectiveness in cost allocation and absorption.
2. **Cost Analysis & Reporting**
3. Ensure compliance with accounting standards (e.g., PSAK/IFRS/GAAP) for inventory.
4. **Budgeting & Forecasting:** Assist in the development of annual budgets and periodic forecasts, particularly related to COGS, inventory levels, and manufacturing/operational overheads.
5. Ensure compliance with Indonesian tax laws, PSAK, and corporate policies
6. Coordinate with external auditors, tax consultants, and banks

7. Oversee monthly, quarterly, and annual closing processes in line with local and HQ (Japan) requirements
8. Support internal and external audits related to cost accounting and inventory.

**Qualifications:**

- Bachelor's degree in Accounting, Finance, or a related field is required.
- Minimum 5 years of progressive experience in cost accounting, preferably within the Japanese manufacturing
- Proven experience with standard costing, variance analysis, inventory valuation, and profitability analysis.
- Experience with Accurate Accounting systems is essential, particularly the costing modules.
- Strong understanding of cost accounting principles and accounting standards **(PSAK/IFRS/GAAP)**.
- Professional certification of CPA, CA is a plus
- Experience implementing or significantly improving cost accounting system
- Able to communicate in **English is a MUST**
- Good communication, leadership, and problem-solving skills
- Ability to work independently and under tight deadlines
