### Job Description

The company operates across four main divisions, with its core service being a proxy purchasing and delivery service that enables customers to buy Japanese products not available for purchase directly from overseas. In addition, the company runs a cross-border e-commerce platform selling Japanese goods internationally, a subscription-based service that delivers items symbolizing Japanese pop culture to customers abroad, and a one-stop service that supports Japanese businesses aiming to expand overseas — from marketing to logistics.

With the mission of spreading Japanese culture across the globe, the company is expanding its business in various directions.

## [Company/Job Highlights]

## Rapidly Growing Company

With over 1.7 million users worldwide, the company delivers "Made in Japan" products to more than 150 countries. Since its founding in 2014, it has continued to break its own sales records each year, and in the previous fiscal year, it surpassed 10 billion yen in annual revenue.

## Diverse Team

The company currently provides services in 19 languages.

At the Osaka headquarters, a multicultural team of members from six continents and over 30 countries, ranging in age from their 20s to 50s, work together.

## Creativity and Innovation

The company is constantly embracing new ideas and technologies. Employees are encouraged to approach their work with creativity, which leads to the development of new services and business ventures.

## Fast-Track Promotions

Promotions are a major motivator in the workplace. At this company, high-performing employees are rapidly promoted as both recognition of their achievements and an investment in their future potential. Some employees have been promoted to management positions within just six months of joining. Rather than focusing on tenure, the company prioritizes individual performance and assigns roles accordingly.

## [Why they are hiring]

Their proxy-purchasing service enables customers in Malaysia to shop from popular Japanese e-commerce platforms that typically do not provide their services overseas.

To enhance the customer experience and offer a seamless shopping experience, we provide support in Bahasa Malaysia. However, Malaysia is a very diverse country. English inquiries from customers are also very common and they need a trilingual team member able to handle both Malay and English inquiries.

You will be a part of an international team of over 20 customer support specialists, using your language skills to help their customers around the world and learn about E-commerce industry.

## [Job description]

- Responding to customer inquiries in Malay and English
- Coordinating with different teams and departments (when necessary) to answer customer questions and solve customer problems
- Supervising part-time operators
- Other related tasks (Translation, etc.)
