Job Description

A global FMCG company is seeking a Supply Planner. The selected candidate will manage long-term supply plans, optimise stock allocation, and support cross-functional collaboration to ensure product availability and sales growth.

A global leader in premium chocolate, this company is renowned for its rich heritage, innovative craftsmanship, and commitment to exceptional quality. With a strong presence in Japan, it continues to delight job hunters with rewarding career opportunities in a dynamic, customer-focused environment.

Keywords:

Job Ref: OI57O9

Responsibilities:

- Plan and manage 18-30-month supply strategies in coordination with Demand Planning
- Place monthly purchase orders to overseas factories (Europe, US) for IC SKUs
- Ensure logistics and co-packing readiness at the distribution centre by coordinating with relevant teams
- Allocate optimal stock to appropriate channels such as retail, outlet, e-commerce, and sampling
- Lead supply planning reviews and represent the function in sales and stock meetings
- Support and drive the supply portion of S&OP and IBP processes
- Oversee SAP-related projects and lead planning module implementation
- Communicate stock risks and mitigation plans to multifunctional and e-commerce teams
- Develop and implement Power BI supply chain reports to monitor supply health
- Represent Japan in international logistics matters, including customs and compliance
- Collaborate with Demand Planning, Marketing, Retail, and Finance for supply scenario planning
- Co-manage temporary staff and contribute to process improvement initiatives

Requirements:

- Bachelor's degree or above
- Practical experience in supply planning within a global FMCG company
- Prior experience in supply planning for imported and food products
- Experience with SAP SD/DRP or similar ERP systems, and SAP S4/Hana projects is a plus
- Knowledge of SAP and supply planning software preferred
- Understanding of D2C and wholesale retail models
- Skilled in import processes, customs, duties, and food registration
- Proficient in MS Office Suite

Company Description

We've been a driving force in the Japanese bilingual recruitment market, providing high quality candidates for our clients and access to the best jobs for over 20 years. We operate a team-based profit share system which, we believe, sets us apart from the majority of competitors by enabling us to always put the interests of our clients and candidates first. That means we can find the best fit for employer and job seeker, and we never push people into unsuitable roles.
