Job Description

We are actively seeking an efficient Global Supply Chain Manager to optimize procurement and supply chain processes for a leading food retail company. The successful candidate will be experienced in managing global supply chain operations, implementing strategic procurement initiatives, and liaising with international vendors.

Client Details

The company is a large organization within the retail industry, with a significant global presence. Renowned for its commitment to quality, sustainability, and innovation, it maintains a strong market position and is a trusted brand in its sector.

Description

- Develop, implement, and monitor global supply chain strategies.

- Manage relationships with vendors and suppliers worldwide.
- Oversee procurement processes to ensure cost-effectiveness and efficiency.
- Coordinate with different departments to streamline operations.
- Ensure compliance with international trade regulations and corporate policies.
- Prepare and present performance reports to senior management.
- Conduct risk management for supply contracts and agreements.
- Collaborate on new product introductions and discontinuations.

Job Offer

- An estimated salary range of up to 13M JPY per annum.
- Comprehensive benefits package.
- An engaging work culture that promotes work-life balance.
- Opportunities for professional development and career progression.

We encourage all candidates who believe they can make a positive contribution to our team to apply. This is an exciting opportunity to make your mark in the retail industry.
