Job Description

A global data services company is looking for a Finance Director. The selected candidate will lead the Japan finance function, driving strategic planning, reporting, and governance.

A leading global provider of hyperscale and colocation data centres, supporting mission-critical IT infrastructure across diverse industries. Known for high-performance connectivity, scalability, and operational excellence in key markets across Europe and Asia.

Keywords:

アカウンティング, ファイナンス, 経理, 財務, 会計, 求人, 外資系

Job Ref: DEYBU2

Responsibilities:

- Lead and develop the Japan finance function while contributing to the senior management team
- Partner with business leaders to deliver insights and high-quality financial analysis
- Manage outsourced finance and procurement operations
- Oversee planning, budgeting, forecasting, and reporting across financial functions
- Support commercial negotiations and improve revenue, margins, and data center returns
- Ensure compliance with governance, tax, statutory reporting, and project controls

Requirements:

- Bachelor's degree or above in finance related domain
- More than 8 years of experience in a similar role
- Knowledge of the Japan and European business culture
- Possess valid professional financial qualification
- Proficient in written and verbal Japanese and English

Company Description

We've been a driving force in the Japanese bilingual recruitment market, providing high quality candidates for our clients and access to the best jobs for over 20 years. We operate a team-based profit share system which, we believe, sets us apart from the majority of competitors by enabling us to always put the interests of our clients and candidates first. That means we can find the best fit for employer and job seeker, and we never push people into unsuitable roles.
