Job Description

We are seeking an Associate Director, Market Access & Healthcare Policy who is passionate about rare disease and is ready to contribute to a team that is focused on improving patient outcomes. The successful candidate will have a strong understanding of market dynamics and healthcare policy within the life science sector.

Client Details

Our client is a global leader in the life science industry and is known for its unwavering commitment to patient-centricity. This large organization has a vast international presence and is renowned for its innovative approach in the development of therapies for rare and ultra-rare diseases.

Description

- Develop and implement market access strategies to ensure optimal access to therapies.
- Lead policy initiatives related to life sciences and healthcare.
- Interface with key stakeholders, including healthcare professionals and government officials.
- Monitor healthcare trends and policies to anticipate potential impacts on the business.
- Contribute to cross-functional teams to support strategic planning.
- Advocate for patient access to innovative therapies.

- Collaborate with global market access teams to align on strategies and best practices.
- Represent the company at industry forums and events.

Job Offer

- The opportunity to make a real difference in the Pharma industry.
- A supportive work environment that encourages professional growth.
- A diverse and inclusive company culture.

To apply online please click the 'Apply' button below. For a confidential discussion about this role please contact Nalisala Karnnganunvichit on +81 3 6832 8650.

Required Skills

- A strong understanding of the Pharmaceutical industry and market access.
 - Proven experience in healthcare policy and strategy development.
 - The ability to engage with and influence key stakeholders.
 - An innovative mindset, with the ability to anticipate and respond to changes in the healthcare landscape.
 - Exceptional communication and leadership skills.
