Job Description

We are seeking a diligent and detail-oriented individual for the role of Import Operations Customer Service. Responsible for managing the end-to-end customer support process for import operations via sea and/or air-from order placement to final delivery, the role requires prompt and accurate responses, acting as a key professional contact for a diverse range of clients.

Client Details

Our client is a global leader in transport and logistics, offering comprehensive supply chain solutions tailored to various industries and committed to excellence.

Description

Responsible for managing the end-to-end customer support process for import operations via sea and/or air-from order placement to final delivery. The role requires prompt and accurate responses, acting as a key professional contact for a diverse range of clients.

- Manage import operations and ensure compliance with local and international regulations.
- Provide excellent customer service, responding to queries and issues in a timely and professional manner.

- Coordinate with stakeholders including carriers, customs, and clients to ensure smooth operations.
- Prepare necessary documentation for import procedures.
- Identify potential issues and implement preventative measures.

Job Offer

- A supportive and collaborative work environment in the Transport & Distribution industry.
- A well-established company culture that values dedication and teamwork.
- Great opportunities for career progression.
- Partial remote work available
