#### Job Description

We are on the hunt for an Architectural **Lead** who will play an instrumental role in developing retail spaces that align with our brand's vision. This **individual** will be **responsible** for transforming creative concepts into innovative architectural realities.

#### Client Details

- Has 40+ stores (just opened 2 more) including pop up, has around 380 people in total with 55 in the head office
- Japan reports directly to the UK with original strategy and often gets support from them.
- Providing full flex time
- The company has a lot of holiday with all Friday from June to August with half day off

#### Description

- Translating brand concepts into innovative architectural designs for retail spaces.
- **Leading** project teams to ensure smooth execution of design concepts.
- **Collaborating** with internal stakeholders and external partners to ensure alignment with brand vision.

- Managing project timelines and budgets effectively.
- Ensuring compliance with local building regulations and standards.
- Presenting design concepts and progress updates to management.
- Identifying and resolving potential design and construction issues.
- Staying up-to-date with industry trends in retail architecture and design.

#### Job Offer

- An estimated salary range of 12M- 14M JPY
- A **challenging** and rewarding work environment.
- Opportunities for professional growth and development.
- Being part of a diverse and **inclusive** team.

We encourage all candidates who believe they can make a significant contribution to our company to apply. This is an opportunity to drive your career forward in a fast-paced FMCG industry and in the bustling city of Singapore.

To apply online please click the 'Apply' button below. For a confidential discussion about this role please contact Minh Tran on +813 6832 8947.

---

#### Required Skills

- A degree in Architecture or a related field.
- Strong proficiency in design software such as AutoCAD and SketchUp.
- Experience in managing large-scale retail design projects.
- Strong **understanding** of FMCG industry trends and customer behavior.
- Excellent communication and **leadership** skills.
- Strong problem-solving abilities and creative thinking.
