#### Job Description

This position is a fantastic opportunity for a creative and innovative VMD Production Manager in the Retail industry who is passionate about retail and has a keen eye for detail

**Client Details**

Our client is a large organization based in Tokyo, known for its high-quality products in the Retail industry. The company operates globally and has a strong presence in the retail sector, making it a prominent player in the market.

**Description**

- Oversee the visual merchandising display production process.
- Collaborate with the creative team to develop innovative display concepts.

- Manage the budget for display production and installation.
- Coordinate with retail store managers for the implementation of displays.
- Supervise the production team to ensure timely and high-quality output.
- Continually assess display effectiveness and make necessary changes.
- Stay updated with the latest retail trends and incorporate them into display designs.
- Maintain a high standard of visual presentation in all stores.

#### Job Offer

- A competitive salary of approximately 10M- 12M JPY.
- Opportunities for career growth within the luxury retail sector.
- A chance to contribute to a globally recognized brand.

We invite all qualified individuals who want to make a significant impact in the retail sector of the Retail industry to apply for this exciting role in Tokyo.

To apply online please click the 'Apply' button below. For a confidential discussion about this role please contact Minh Tran on +813 6832 8947.

---

#### Required Skills

A successful VMD Production Manager should have:

- A degree in Visual Merchandising, Design, or a related field.
- Proven experience in a similar role within the Retail industry.
- Strong leadership and project management skills.
- Excellent communication and negotiation skills.
- An innovative approach to visual display design.
- Ability to work under pressure and meet tight deadlines.
