Job Description

COMPANY OVERVIEW

Our client is a prominent global IT service provider that excels in custom software design, IT consultancy, and infrastructure management. They deliver high-performance, large-scale systems like API Gateways and message queues, ensuring smooth global operations and enhanced system reliability. Their comprehensive IT solutions help businesses eliminate challenges, optimize resources, and boost productivity.

JOB RESPONSIBILITIES

- 5-8 years of experience with minimum of 2 years' experience in project management with strong functional knowledge in SAP FICO (with SD/MM Module is a plus)
- At least 3 full cycle implementations as Senior Application Consultant
- Extensive knowledge in the integration of FICO with MM/SD/PP/PS and developing interface programs with SAP.
- Should have experience in preparing functional specifications, conceptual design in SAP as per business requirements.
- Application Management Outsourcing(AMO) service experience (Customer support, Change management, User Training)
- Good inter-personal and communication skills and demonstrate collaboration and teamwork, is innovative and constantly seeks improvement
- S/4 HANA experience is a strong plus

- Proficiency in English, Proficiency in Japanese/Mandarin Language is a plus to support relevant clients

Education:

Bachelor's degree in information systems, Computer Science, Engineering or equivalent

Certification in SAP FICO, finance, accounting or related field is preferred

JOB REQUIREMENTS

Multiple Roles and Responsibilities are required as Senior Application Consultant in System Lifecycle as follow.

- Project Manager or Senior Application Consultant for the End-to-end implementation in Dynamics
- Project Manager who can manage with Quality, Cost and Delivery(QCD) point of view.
- Senior Application Consultant who can provide proper solution according to user requirement.
- AMO support leader who can manage daily operation support and handle maintenance such as Change Request(CR) requirement definition.

- Sales/Presales assistant who can proceed sales activities in SAP.
