Job Description

Our client is one of the leading firms in Communication equipment, Security systems services, UCC

Location: Huai Khwang

Salary: 100,000 THB +/- (plus benefits and incentives)

Responsibilities:

- Build and maintain strategic relationships with vendors to meet quotas and achieve profit target
- Assist Channel Sales and Business Development Managers (BDMs) in positioning product offerings and managing customer expectations.
- Conduct regular product updates, promotions, events, and training sessions.
- Ensure product pricing is up-to-date and manage vendor-related processes.

- Submit timely and accurate weekly reports to vendors and superiors.
- Visit targeted partners or end users to enhance product mindshare and development.
- Plan and execute promotional activities, training, and events with vendors.
- Work with the operations team to maintain healthy inventory levels.
- Analyze quarterly and yearly data against metrics set by management and vendors.

Requirements:

- 5+ years of experience in networking, security, or unified communication solutions.
- Familiar in working with leading IT vendors to bring solutions to market through a network of partners, including technology resellers, systems integrators, and service providers
- Strong communication, interpersonal, and analytical skills. Ability to work well in a team and independently.
- Good command of English and Thai
