Job Responsibilities

- Develop, lead and execute purchasing strategies
- Track and report key functional metrics to reduce expenses and improve effectiveness
- Craft negotiation strategies and close deals with optimal terms
- Ensure clear requirements, forecast market trends, mitigate risks, and collaborate with stakeholders
- Analyze costs, scenarios, and benchmarks
- Seek and partner with trusted vendors and suppliers
- Determine the quantity and schedule of delivery
- Monitor and forecast upcoming levels of demand

Job Requirements

- Degree in supply chain management, logistics or business administration or any related

- At least 10 years of purchasing experience in a large manufacturing environment, preferably in automotive industries with at least 8 years in managerial roles
- Familiar with sourcing and vendor management
- Interest in market dynamics, combined with business sense
- Experience in vendor management software and development, as well as data collection, analysis, and visualization skills
- Solid judgment and decision-making capabilities
- Strong leadership, negotiation, and networking skills
- Applicants should be Malaysian citizens or hold relevant residence status
