Job Description

An assembly and fabrication facility in Kedah is looking for Senior Logistic Executive to manage, coordinate and monitor the inbound and outbound shipment by freight forwarders and couriers to meet agreed delivery terms while conforming to local and international trade regulations.

Job Responsibilities

- Liaise with freight forwarders / couriers to obtain competitive freight rates to meet target delivery terms.
- Identify and source for potential freight forwarders for business partnership.
- Expedite supply solutions with freight forwarders for line down and component shortage scenario and communicate with stakeholders on action plans.
- Engagement with customs and government authorities pertaining to trade compliance matters involving application

and documentation submission, consultation, and negotiation

- Compile and prepare LMW report for monthly submission

Job Requirement

- Bachelor's degree in Logistics Management or equivalent
- Minimum of 3 years in Logistic Management role
- Extensive knowledge of freight forwarding, trade compliance, custom compliance and LMW
- Proficient in English, Malay and Mandarin
