### Job Description

**COMPANY OVERVIEW**

A CPA firm is seeking an Audit Manager.

**RESPONSIBILITIES**

- Apply academic training and professional experience in accounting and auditing to review, examine and analyze accounting records, workpapers, financial statements, and other financial reports to assess accuracy, completeness, and conformance to reporting and procedural standards for finalizing client documents.
- Research and interpret accounting laws on complex issues and questions arising from client transactions.
- Review all work by engagement team members before submission to engagement executives.
- Lead and manage multiple, concurrent assurance engagements with various teams and meet scheduled deadlines.

- Build client satisfaction by leading client meetings, providing timely and effective responses to requests and concerns, and providing consultation on all accounting matters.
- Supervise audits of internal control over financial reporting including J-sox.
- Serve as main contact to clients. Ensure clients are satisfied with our services and identify opportunities to provide additional professional services.
- Demonstrate a broad, deep understanding of accounting and assurance concepts, actively pursue increased knowledge through client assignments, and keep abreast of current accounting and auditing developments.
- Provide leadership, supervision and support to the engagement team and promote open communication with engagement executives.
- Coordinate all phases of engagements with engagement executives, including execution of the engagement letter, communicating with the client, staffing requirements, job planning, and scheduling.
- Exercise independent judgment by making decisions related to engagements, including assessment of engagement risks, determining which procedures to perform to arrive at a desired level of assurance, and evaluating evidence.
- Collaborate with engagement team and executives in resolving client issues and make recommendations for any legal, regulatory and accounting issues that arise during attestation engagements.
- Work with engagement executives to negotiate fees and manage effective billing and collections.
- Develop overall engagement budgets; responsible for billing and realization on assigned clients; explain variances.
- Promote positive working relationships within a diverse work environment and ensure all team members are treated with respect.
- Monitor engagement team's use of technology and make recommendations for efficiency where appropriate.
- Motivate Staff and Seniors; train and coach them to further their professional development.
- Review and evaluate Staff and Seniors' work and provide timely performance feedback.
