### Job Description

#### COMPANY OVERVIEW

A publishing company is looking for a News Translator for its NY Office. This position plays a key role in sourcing, creating, and producing translated news articles for publication and other English-language platforms or content distribution services operated by the group companies.

#### RESPONSIBILITIES

- Translate articles, headlines, and captions published by this publishing company and other group companies
- Proofread, edit, and revise translated articles to ensure clarity, accuracy, and alignment with editorial standards
- Conduct research, verification, and fact-checking to enhance the quality and reliability of translations
- Perform other editorial tasks as assigned by the supervisor

## REQUIREMENTS

- Bachelor's degree or an equivalent combination of education and/or experience in a related field
- Proficiency in Japanese and English
- Experience in Japanese-to-English translation in a fast-paced newsroom environment preferred
- Strong skills in research, verification, and fact-checking to enhance the quality of news translations
- Excellent interpersonal skills and ability to work effectively both remotely and on-site as part of a team
- Willingness to perform additional tasks as needed

## SALARY & Benefits

USD \$58,000 - \$72,000+ Additional compensation (bonus) + Generous benefits package

## OTHERS

Work location: New York, NY

\* This is a hybrid position. (All employees must work in-office at least 2 times per week)
