Job Description

Company Overview

The Japanese leading company in motor and component manufacturing is looking for Accounting and Finance Specialist or Manager (m/f/d). They specialize in producing precision instruments and measurement devices. Their products are used in various industries, including automotive, electronics, and healthcare.

Key Responsibilities:

- Account payable and receivable
- invoice issuance and cash management
- Preparation and reporting of balance sheets (BS) and profit and loss statements (PL)
- Preparation and reporting of financial statements for monthly and annual closing
- Payroll calculation

- Communication with tax authorities and auditors
- Communication with the headquarters in Japan
- Preparation of materials for internal audits

Qualifications:

- Business-level proficiency in German.
- Business-level proficiency in English.
- Minimum of 5 years of experience in accounting or finance related.
- Knowledge of German tax law.
- Excellent communication and interpersonal skills.
- Strong problem-solving abilities and attention to detail.
- Ability to work independently and as part of a team.
