### Job Responsibilities

- Review and Edit Translations: Examine translated documents for errors in meaning, accuracy, terminology, spelling, grammar, style, tone, and syntax.
- Quality Control: Conduct quality checks on translations in one or more language pairs, ensuring adherence to style guides and publication specifications.
- Translation and Post-Editing: Perform translations and machine translation post-editing as needed.

• Vendor Management: Evaluate and support in-country translators, providing guidance and feedback to improve quality.

- Resource Management: Manage translation memory and term bases using internal systems.
- Client Management: Oversee client accounts, creating and managing guidelines, term bases, and translation
  memories.
- Vendor Services Support: Assist Vendor Services by offering feedback on vendor quality and identifying areas for improvement.
- Training and Supervision: Identify vendor weaknesses and provide training to enhance quality.
- Special Projects: Participate in special projects and other duties as assigned by management.

# Job Requirements

- Proven experience in translation and editing.
- Strong attention to detail and excellent linguistic skills.
- Ability to manage multiple projects and meet deadlines.
- Proficiency in using translation management systems.
- Strong background/exposure to legal terms or professional services are highly welcome.
