Job Description

The Amsterdam office of a well known international bank is looking for an Interbank Dealer - ALM Money Market.

Interbank Dealer Main Responsibilities:

•   Execute daily interbank trading activities, including FX, money market instruments, and interest rate products

•   Manage short-term liquidity and funding operations in alignment with ALM strategies

•   Collaborate with the ALM team to optimize balance sheet management and mitigate interest rate and liquidity risks

•   Monitor market trends, economic indicators, and regulatory developments affecting interbank markets

•   Establish and maintain relationships with counterparties, financial institutions, and internal stakeholders

- Ensure compliance with regulatory requirements and internal risk management policies

Interbank Dealer Ideal Candidate:

- Proven experience as an Interbank Dealer with hands-on trading expertise

- Strong knowledge of ALM planning, risk management, and balance sheet optimization

- Understanding of liquidity risk, interest rate risk, and regulatory frameworks in banking

- Ability to thrive in an international work environment and collaborate with diverse team members

- Fluency in English is mandatory

Please apply for this job if you have 5+ years of Interbank Dealer - ALM Money Market experience in a commercial bank.
