Job Description

Specific condition:

This full-time, remote role requires working during Melbourne business hours, with benefits including overtime pay, holiday pay, sick pay, and public holiday pay.

To Apply:

Please submit your portfolio including construction drawings that demonstrate your Revit expertise.

Our client, well-established Australian architectural studio known for delivering high-quality infrastructure, commercial, and residential projects. Looking for experienced architect with exceptional Revit skills to join their team remotely.

In this role, your expertise in architectural documentation will be highly valued. You'll be trusted to take ownership of your work, supported by a collaborative team and mentorship to further grow your skills.

Qualifications:

- Fluent in English
- Minimum of 5 years of hands-on experience in architectural design and development using Revit

- A portfolio showcasing construction drawings and proficiency in Revit
- Bachelor's degree in architecture

Responsibilities:

- Design Development: Produce detailed architectural drawings, 3D models, and technical documentation using Revit for a range of project types
- Project Coordination: Collaborate with internal design teams and liaise with external consultants, contractors, and clients
- Compliance & Quality: Ensure design work aligns with company standards and project objectives

Think you tick all the boxes? Great!

After applying, send me a DM on my LinkedIn (Milysa Tjandra) briefly explaining why you're the best fit for this role.
